## | PROJECTS |

- **Let's Brew**
  - <https://lets-brew-group12.herokuapp.com/>
  - <https://github.com/Sergioloman/Lets-Brew>
  - Let's brew was developed to provide comprehensive support to coffee enthusiasts. Users can not only learn brewing methods but also discuss and create a community within the app.
  - Technologies used: React, GraphQL, JavaScript, CSS.
- **Should you go outside today?**
  - <https://sergioloman.github.io/Should-you-go-out/>
  - <https://github.com/Sergioloman/Should-you-go-out>
  - Should you go outside today is a simple web app to encourage users to go out or staying in depending on their local weather. Answers are paired with encouraging GIFS.
  - Technologies used: Third-Party APIs, JQuery, CSS.

## | WORK EXPERIENCE |

**Farmers' Market Coordinator**, Sustainable Food Center, Austin TX

*9/2019 – 1/2021*

- Responsible for oversight and implementation of market operations and reconciliation of post-market cash, SNAP and WIC benefits, and vendor payments.
- Oversaw all vendor relations, vendor onboarding, farm inspections, and on-site training of SNAP and WIC protocols.
- Supervised a team of 12 - 20 market associates and volunteers, providing them logistical support and responding to any onsite emergencies and issues.

**Farm Viability Coordinator**, Sustainable Food Center, Austin TX

*09/2018 – 9/2019*

- Managed the Operations, Logistics, Marketing, and constituent relationships for the Farm to Work program. Farm to Work connected Local Farmers and Workplaces by enabling employees to purchase vegetables directly from growers using our web interface.
- Supported Farmers' Market Managers in the onboarding of new vendors, as well as day-of operations troubleshooting.

**Food Access Associate**, Sustainable Food Center, Austin TX

*04/2018 – 8/2018*

- Executing the Double Dollars program at the Farmers markets. Helping low-income families use their SNAPs and WIC to get more value out of their benefits.

- Setting up/ breaking down operations of two Farmers Markets during weekends; Collecting Fees, gathering on-site data via surveys; and general troubleshooting of market logistics.

**Deli Clerk**, Wheatsville Coop, Austin TX

*5/2014 – 5/2019*

- Customer service; making Wheatsville the friendliest place to shop while promoting local Austin products, healthy food, and catering to a variety of dietary preferences.
- Opening/closing operations, including inventory management and meeting all local sanitation requirements.

**Farmers' Market Associate**, Texas Coffee Traders, Austin TX

*11/2016 – 03/2018*

- Customer Service; Inventory management, prepping, transporting, packaging, and selling product at local farmers' markets.

**Counter Clerk, Tech & Actor**, ColdTowne Theater, Austin TX

*6/2015 – 6/2016*

- Customer Service; concessions, selling show tickets, managing cash register, and running stage lighting/sound during live performances.
